

Appendix 1

LOWER ROGUE WILD & SCENIC RIVER ADDITIONS

The free-flowing streams described below, with the exception of Corral Creek, East Fork Kelsey Creek, Francis Creek, Galice Creek and Shady Creek have already been found *eligible*³¹ by BLM for inclusion into the National Wild & Scenic Rivers System. Mule Creek, East Fork Whisky Creek and Kelsey Creek all have outstanding values, which warrant designation. Dulong Creek, Big Windy Creek, East Fork Windy Creek and Howard Creek have all been deemed *suitable*³² by BLM for inclusion into the Wild & Scenic Rivers System. In most cases, the managing agency fails to recommend eligible streams because it fears limits on its discretion, which is precisely the point (“don’t clearcut, further road, dam or mine this stream”).

| Proposed Addition | Miles | Upper Terminus | Lower Terminus | Outstandingly Remarkable Values |
|------------------------|-------|----------------|------------------------------|--|
| Alder Creek | 1.2 | Headwaters | Confluence with Rogue River | Scenic, recreation. |
| Anna Creek | 3.0 | Headwaters | Confluence with Howard Creek | Excellent recreational and scenic opportunities in old growth setting. |
| Bailey Creek | 3.1 | Headwaters | Confluence with Rogue River | Scenic, recreation |
| Big Windy Creek* | 7.3 | Headwaters | Confluence with Rogue River | Remarkable scenery and recreational opportunity with a fantastic plunge pool for swimming. Big Windy drainage is a key wildlife corridor. Provides essential spawning and rearing habitat for winter steelhead, summer steelhead, and coho salmon. |
| Booze Creek | 1.5 | Headwaters | Confluence with Rogue River | Scenic, recreation. Spawning and rearing habitat for winter and summer steelhead. |
| Bronco Creek | 1.8 | Headwaters | Confluence with Rogue River | Scenic, recreation. Spawning and rearing habitat for winter steelhead. |
| Centennial Gulch Creek | 2.2 | Headwaters | Confluence with Rogue River | Scenic, recreation |
| Copsey Creek | 1.5 | Headwaters | Confluence with Rogue River | Scenic, recreation |
| Corral Creek | 0.5 | Headwaters | Confluence with Rogue River | Scenic, recreation |
| Cowley Creek | 0.9 | Headwaters | Confluence with Rogue River | Scenic, recreation |

³¹ A stream is free-flowing (no major impoundments or diversions) and has at least one “outstandingly remarkable value” that makes it “eligible for inclusion in the National Wild & Scenic Rivers System.”

³² “If the appropriate federal agency wants Congress to add the evaluated stream segment to the National Wild & Scenic Rivers System, then it is deemed “suitable.”

| | | | | |
|----------------------------|------|---|------------------------------|--|
| Ditch Creek | 2.4 | Headwaters | Confluence with Rogue River | Scenic, recreation. Spawning and rearing habitat for winter steelhead. |
| Dulog Creek* | 1.8 | Headwaters | Confluence with Rogue River | Unmatched scenery, remarkable trail from Rogue River mainstem to famed falls provide unique recreation experience. |
| East Fork Big Windy Creek* | 3.9 | Headwaters | Confluence with Big Windy | Provides essential spawning and rearing habitat for Rogue River winter steelhead Outstanding scenery and water quality. |
| East Fork Kelsey Creek | 4.8 | Headwaters | Confluence with Kelsey Creek | Outstanding scenery and water quality. |
| East Fork Rum Creek | 2.0 | Headwaters | Confluence with Rum Creek | Scenic and recreation. |
| East Fork Whisky Creek | 3.8 | Headwaters | Confluence with Whisky Creek | Scenic and recreation. Spawning and rearing habitat for winter and summer steelhead and coho salmon. |
| Francis Creek | 0.9 | Headwaters | Confluence with Rogue River | Scenic and recreation. |
| Galice Creek | 2.2 | Confluence of North and South Forks of Galice Creek | Confluence with Rogue River | Fish, scenic and recreation. Spawning and rearing habitat for coho salmon, fall chinook and winter and summer steelhead. |
| Grave Creek | 10.2 | Confluence with Wolf Creek | Confluence with Rogue River | Fish. Spawning and rearing habitat for coho salmon, fall chinook and summer steelhead. |
| Hewitt Creek | 2.6 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |
| Howard Creek* | 7.2 | Headwaters | Confluence with Rogue River | Fish, scenic and recreation. Spawning and rearing habitat for coho salmon, and winter and summer steelhead. |
| Jenny Creek | 4.9 | Headwaters | Confluence with Rogue River | Fish, scenic and recreation. Spawning and rearing habitat for coho salmon, and winter and summer steelhead. |
| Kelsey Creek | 7.3 | Headwaters | Confluence with Rogue River | Outstanding scenery and recreational opportunities with trails from Rogue River mainstem to two popular natural swimming pools. Provides essential spawning and rearing habitat for Rogue River winter steelhead, summer steelhead, and coho salmon. |
| Little Windy Creek | 3.0 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |
| Long Gulch | 2.5 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |

| | | | | |
|-------------------------|------|---|--------------------------------------|---|
| Meadow Creek | 4.1 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |
| Missouri Creek | 4.8 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for coho salmon and winter steelhead. |
| Montgomery Creek | 1.8 | Headwaters | Confluence with Rogue River | Scenic and recreation. |
| Mule Creek | 11.4 | Headwaters | Confluence with Rogue River | Fish, scenic and recreation. Spawning and rearing habitat for coho salmon and winter steelhead. |
| North Fork Galice Creek | 5.7 | Headwaters | Confluence with Galice Creek | Scenic and recreation. Spawning and rearing habitat for winter and summer steelhead. |
| Quail Creek | 2.5 | Headwaters | Confluence with Rogue River | Scenic and recreation. |
| Quartz Creek | 3.3 | Headwaters | Confluence with N. Fork Galice Creek | Fish, scenic and recreation. Spawning and rearing habitat for winter and summer steelhead. |
| Rum Creek | 4.4 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for summer steelhead. |
| Russian Creek | 2.6 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter and summer steelhead. |
| Shady Creek | 0.7 | Headwaters | Confluence with Rogue River | Scenic and recreation. |
| Slide Creek | 1.2 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |
| West Fork Whiskey Creek | 4.8 | Headwaters | Confluence with Rogue River | Scenic and recreation. Spawning and rearing habitat for winter steelhead. |
| Whiskey Creek | 2.5 | Confluence of East and West Forks of Whisky Creek | Confluence with Rogue River | Scenic, recreation and historic. Spawning and rearing habitat for coho salmon, winter and summer steelhead. |
| Wildcat Creek | 1.7 | Headwaters | Confluence with Rogue River | Scenic and recreation. |

Totals **142.9**

BLM Eligible *131.8*

Citizen Eligible *11.1*

Data on eligibility, suitability and values are almost exclusively derived from BLM information.

* BLM found segment as "Suitable"

Fish presence is based on ODFW information.
